

Compensation Policy

INTRODUCTION & OBJECTIVE:

At YES BANK, we are committed to our mission of building the World's Best Quality Bank in India, by providing our customers with an unparalleled "Customer experience". Service quality is of paramount importance to us. However, in the event, for some reason, beyond our control or inadvertently, we are unable to meet the service levels committed by us in our dealings with individual customers, this Compensation policy will be applicable.

The Compensation policy of the Bank is therefore designed to cover areas relating to, and such as unauthorized debiting of account, Payment of interest to customers for delayed collection of cheques/instruments, Payment of cheques after acknowledgement of stop payment instructions, remittances within India and Foreign exchange services, lending, etc. The policy is based on principles of transparency and fairness in treatment of customers.

The objective of this policy is to establish a system whereby the bank compensates the customer for any financial loss he/she might incur due to deficiency in service on the part of the bank or any act of omission or commission directly attributable to the bank. By ensuring that the customer is compensated without having to ask for it, the bank expects instances when the customer has to approach Banking Ombudsman or any other Forum for redressal to come down significantly.

It is reiterated that the policy covers only compensation for financial losses which customers might incur due to deficiency in the services offered by the bank which can be measured directly and as such the commitments under this policy are without prejudice to any right the bank will have in defending its position before any forum duly constituted to adjudicate banker-customer disputes.

Further, the Bank shall not be liable for any loss of profits, or any indirect or consequential loss, damages or expenses incidental to the error. Acceptance of compensation under this policy shall imply a full and final settlement of all issues arising out of grievances for which compensation is claimed.

FOREIGN EXCHANGE SERVICES:

The Bank would not be able to compensate the customer for delays in collection of cheques designated in foreign currencies sent to foreign countries as the bank would not be able to ensure timely credit from overseas banks. It is the bank's experience that time for collection of instruments drawn on banks in foreign countries differ from country to country and even within a country, from place to place. The time norms for return of instruments cleared provisionally also vary from country to country. However, the bank will compensate the customer for undue delays in affording credit once proceeds are credited to the Nostro Account of the bank with its correspondent. Such compensation will be given for delays beyond one week from the date of credit to Nostro Account/ due date after taking into account normal cooling period stipulated.

The rate of foreign currency for conversion will be the exchange rate as prevalent on the next working day of the specified foreign currency after sighting of credit in our Nostro account. The compensation in such cases will be worked out as per FEDAI guidelines.

The compensation in such cases will be worked out as follows:

- Interest for the delay in crediting proceeds as per Bank's internal policy
- Compensation for any possible loss on account of adverse movement in foreign exchange rate.

- For any delay caused by the Bank in issuing duplicate draft beyond the above stipulated period, the Bank will pay interest at the rate applicable for fixed deposit of corresponding maturity in order to compensate the customer for such a delay.

TRANSACTION OF “AT PAR INSTRUMENTS” OF CO-OPERATIVE BANKS BY COMMERCIAL BANKS:

The RBI has expressed concern over the lack of transparency in the arrangement for payment of “at par” instruments of co-operative banks by Commercial Banks resulting in dishonor of such instruments when the remitter has already paid for the instruments. In this connection it is clarified that since the "at par" instruments are only cheques drawn on accounts maintained with the bank and are not prepaid instruments, the drawee bank (YES Bank Ltd.) will not honour cheques drawn on the current accounts maintained by the other banks with it unless arrangements are made for funding the cheques issued. This has been communicated very clearly in the agreements entered into with the co-operative banks concerned. Thus, the issuing bank i.e. Cooperative Banks /Drawer of the cheque would be responsible to compensate the cheque holder for nonpayment /delayed payment of cheques in the absence of adequate funding arrangement.

LENDERS LIABILITY: COMMITMENTS TO BORROWERS:

The Bank has adopted the principles of lenders liability. In terms of the guidelines for lenders liability, and the Code of Bank’s Commitment to customers adopted by the bank, the bank would return to the borrowers all the securities / documents / title deeds to mortgaged property within 15 days of repayment of all dues agreed to or contracted. The Bank will compensate the borrower for monetary loss suffered, if any due to delay in return of the same. In the event of loss of title deeds to mortgage property at the hands of the banks the compensation will cover

out of pocket expenses for obtaining duplicate documents plus a lumpsum amount as decided by the bank.

YES Bank reimburses its customer, the amount wrongfully debited on account of failed ATM within a maximum period of 7 working days from the receipt of the complaint. For any failure to re-credit the customer's account within 7 working days from the date of receipt of the complaint, the Bank pays compensation of Rs.100/- per day to the aggrieved customer. This compensation shall be credited to the customer's account automatically without any claim from the customer, on the same day when the Bank affords the credit for the failed ATM transactions.
