

## **Important Notice**

It has come to our notice that certain fraudsters are posing as agents of various Banks including YES BANK and are making false promises that they can arrange cheap loans at very low rate of interest. Under the guise of arranging such cheap loans, they are collecting fees/commission to arrange such cheap loans. These fraudsters are approaching the general public by giving false advertisements in newspapers, anonymous e-mails, SMS etc.

We caution the general public that YES BANK has not engaged any one to source such cheap loans. We request the general public to be vigilant about the aforesaid *modus operandi* adopted by the fraudsters. We request you to report such incidents to our nearest Branch and to the local police station immediately.
