

Policy on Collection of Dues and Repossession of Security

1. Introduction:

The debt collection policy of YES Bank is built around dignity and respect to customers. YES Bank will not follow policies that are unduly coercive in collection of dues. The policy is built on courtesy, fair treatment and persuasion. YES Bank believes in following fair practices with regard to collection of dues and repossession of security and thereby fostering customer confidence and long-term relationship.

The repayment schedule for any loan sanctioned by YES Bank will be fixed taking into account paying capacity and cash flow pattern of the borrower. YES Bank will explain to the customer upfront the method of calculation of interest and how the Equated Monthly Installments (EMI) or payments through any other mode of repayment will be appropriated against interest and principal due from the customers. YES Bank would expect the customers to adhere to the repayment schedule agreed to.

YES Bank's Security Repossession Policy aims at recovery of dues in the event of default and is not aimed at whimsical deprivation of the property. The policy recognizes fairness and transparency in repossession, valuation and realization of security. All the practices adopted by YES Bank for follow up and recovery of dues and repossession of security will be in consonance with the law.

YES Bank will follow all such procedures as required under law for recovery/repossession of security.

4. Repossession of Security

Repossession of security is aimed at recovery of dues and not to deprive the borrower of the property. The recovery process through repossession of security will involve repossession, valuation of security and realization of security through appropriate means. All these would be carried out in a fair and transparent manner. Repossession will be done only after issuing the notice as detailed above. Due process of law will be followed while taking repossession of the property. YES Bank will take all reasonable care for ensuring the safety and security of the property after taking custody, in the ordinary course of the business.

5. Valuation and Sale of Property

Valuation and sale of property repossessed by YES Bank will be carried out as per law and in a fair and transparent manner. YES Bank will have right to recover from the borrower the balance due if any, after sale of property. YES Bank shall have the right of set-off and lien, irrespective of any other lien or charge, present as well as future all account/ deposits of the deposit holder with YES Bank, whether in single name or joint name(s), to the extent of all outstanding dues to YES Bank. For such purposes, YES Bank may at its sole discretion close the deposits prematurely and apply a penal rate of interest in respect of the same. The lien shall be valid and binding on the borrower and operative until repayment in full of all moneys due to YES Bank from the borrower. Excess amount if any, obtained on sale of property will be returned to the borrower after meeting all the related expenses provided YES Bank is not having any other claims against the customer.

6. Opportunity for the borrower to take back the security

As indicated earlier in the policy document, YES Bank will resort to repossession of security only for the purpose of realization of its dues as the last resort and not with intention of depriving the borrower of the property. Accordingly YES Bank will be willing to consider handing over possession of property to the borrower any time after repossession and before concluding sale transaction of the property, provided the bank dues are cleared in full within the time frame

specified by YES Bank. If satisfied with the genuineness of borrower's inability to pay the loan installments as per the schedule which resulted in the repossession of security, YES Bank may at its discretion consider handing over the property after receiving the installments in arrears. However, this would be subject to YES Bank being convinced of the arrangements made by the borrower to ensure timely repayment of remaining installments in future.
