### Common Guidelines

**# Half-yearly Average Balance (HAB):**

- i. HAB is the average daily balance maintained by the customer for a period of 6 months. It is a summation of daily closing balances for a period of 6 months divided by number of days in the given half year for the particular calendar year
- ii. HAB check will be done during the half years ending June & December

**@ Cash Deposit Free limits:**

- i. Free limits inclusive of transactions done through all channels/mode, including Bunch Note Acceptor & Across all YES BANK branches
- ii. Cash Deposits done at Bunch Note Acceptor (BNA) machines will not be charged for transactions done till March 31, 2018. Post this date transactions done at BNA will be part of the free limit & charges will be applicable beyond free limits

**Others:**

- Any cash transactions i.e. Deposits & Withdrawals, of ₹5 lacs & above on a single day to be carried out at any YES BANK branches would require advance intimation of at least one working day to Home Branch

- Initial Payment for opening account should include Minimum HAB value of the account and First Year Debit Card Annual Fee (if opted for)
- Monthly/Quarterly/Half-yearly/Annual cycle charges as applicable on the account type can be recovered anytime
- In case of insufficient funds in the account, for recovery of charges, YES BANK reserves the right to force debit or make repeated attempt(s) to recover charges due
- Minimum Average maintenance on an account type shall not be applicable for the Account Opening Half year
- The charges mentioned in the schedules are exclusive of taxes as applicable from time to time
- If any free transaction for cash deposit breaches the maximum free limit permissible for the account, in cumulative value or by itself, that transaction and all subsequent transactions will be subject to the applicable changes, in their entirety

**Important Note:**

YES PRAGATI Current Account offering is only available at selected YES BANK Branches, please contact the nearest branch for further information
